West Bradford Golf Club

Welcome to West Bradford Golf Club

Dear Member,

Welcome to West Bradford Golf Club, I'm delighted that you chose to join us here, and I hope you enjoy many happy years as a member of the golf club.

West Bradford is a unique golf club for many different reasons; the golf course is unique for a club at this price level – the club came into existence at the height of the area's textile wealth, and as a result the clubs officials managed to retain the services of some of the best course architects and construction companies in the world to design and build the golf course at West Bradford.

The clubhouse is unique – dating back to 1725, the former privately owned Manor House, built by The Bolling Family of Bradford, is a living piece of history.

But more than that West Bradford is a unique club due to it's members. In 1950 the Club Secretary Walter Hodgson said *"West Bradford aims at the fundamentals required for the success of any golf club; a good course, a good house, a good table, good conduct and - above all – good fellowship."* Our membership hold true to these values more than half a century later – and new members to West Bradford, the friendly golf club, can be guaranteed a warm welcome, and good fellowship, from their fellow members.

Welcome to the Club!

Quick Start Guide

Reserving a tee time for Saturday

Booking a tee time for our Saturday Competition is a little different to booking one for a normal day. The first chance to reserve a tee time for Saturday is in person, at The Clubhouse, on a Thursday evening. West Bradford Members meet in The Clubhouse at 8.30pm in order to secure their preferred playing time for Saturday, and also to find a playing partner if they do not already have one.

Finding a Playing Partner

If you would like to find a playing partner for the Saturday Competition – join us in The Clubhouse on a Thursday evening as mentioned above. If you'd like to find a playing partner for other days there are a few ways to do so

The Midweek Swindle

The Midweek Swindle is a roll-up golf event that takes place every Wednesday at 11am. Lots are drawn for playing partners, so it's a great way to meet other members if you are new to the golf club or to expand your circle of playing partners.

The Sunday Swindle

The Sunday Swindle is another roll-up event, where lots are drawn for playing partners. The Sunday Swindle happens every Sunday at 8.30am

Speak to our Head Pro

If you are new to the club and want to find a partner, or if you've been here a while and want to play with someone new – have a word with Jamie Coverley. Jamie is always aware of three players looking for a fourth, or a solo golfer looking for a partner.

West Bradford Golf Club

Quick Start Guide

Getting a Handicap

If you have not yet got an official CONGU handicap, you'll need one if you want to play in our Saturday Competitions, any of our Major Tournaments, or one of our Open Competitions.

In order to secure a handicap you will need to submit three completed scorecards, on rounds that you have played with, and had your scorecard marked by, a current West Bradford Golf Club member. If you do not have a playing partner to mark your card, ask our Head Professional Jamie Coverley – we have a group of members who are happy to play a round with new members in order to mark their card for them, and Jamie will be able to arrange this.

It is normal practice to complete three cards of 18 holes, however if you wish to complete six rounds of 9 holes instead – this will be accepted.

Once you have all three cards completed, drop all three off together in The Pro Shop. The cards will then be used to issue you with your first handicap – which should take around a week to be processed and confirmed.

Make sure you:-

1. Mark each card "For handicap purposes" at the very top.
2. Sign and date each card
3. Hand all three cards in together, rather than individually.

Signing in a Guest

As a West Bradford Golf Club Member, you have the right to host guests at the club – who then pay a reduced rate to play the golf course. You can host up to three "members guests" at the same time, who will all pay the reduced rate. There is no limit to the amount of Members Guests you can bring to the club over the course of a year, but the same person can only be your guest at the club, and benefit from the reduced green fee, up to a maximum of six times in a single year.
